Fair Trade

What's the problem?

The **Make Poverty History** campaign has helped to bring to our attention the appalling fact that a child dies of poverty every three seconds. Many of the people who produce products that we take for granted, such as coffee, tea, sugar, and chocolate, work in terrible conditions and are not paid enough for their labour to support themselves and their families. By trying to get our goods for the cheapest possible price, we help to keep these people in poverty.

What is Fair Trade?

Fair Trade is an initiative to ensure that poor producers and workers in developing countries are not exploited when making products that we consume in the West.

Masnach Deg

Be ydy'r broblem?

Mae'r ymgyrch Make Poverty History wedi bod o help i godi ymwybyddiaeth o'r ffaith bod plentyn yn marw o achos tlodi bob 3 eiliad. Mae llawer o'r bobl sy'n cynhyrchu ein nwyddau bob dydd, megis coffi, te, siwgr a siocled, yn gweithio o dan amgylchiadau trychinebus o wael, ac nid ydynt yn derbyn digon o gyflog I gynnal eu hunain a'u teuluoedd. Trwy geisio prynu ein nwyddau am y pris isaf posib, rydym yn cadw'r bobl hyn yn dlawd.

Be ydy Masnach Deg?

Menter I sicrhau nad yw'r Gorllewin yn ymelwa o waith cynhyrchwyr a gweithwyr tlawd mewn gwledydd sy'n datblygu yw Masnach Deg.
